

GET RELEVANT FUNDING CALLS DELIVERED TO YOUR PROFILE

Our AI-powered 'Recommender Engine' delivers relevant global funding calls straight to your Crowdhelix profile.

Crowdhelix's call matching feature saves you time and allows our members to focus on what really matters - delivering impact.

ENABLE OUR CALL MATCHING FEATURE IN FOUR EASY STEPS:

01. LOG IN

Log in to your dashboard.

02. ADD OR UPDATE EXPERTISE TAGS

Update your Expertise tags on your personal Crowdhelix profile. When you add these tags, your expertise is ranked and matched at the highest level by the Crowdhelix platform's 'Recommender Engine' technology.

03. TIPS ON TAGGING

Keep your tags or keywords focused on key areas of expertise only. Our AI technology searches for opportunities/calls where all the keywords most closely match, and recommends those most highly. It is more beneficial to use keywords that focus on your specific areas of expertise.

04. RECEIVE FUNDING CALLS

Call matching enhances your journey with precision and simplicity for impact acceleration. So when a relevant Horizon Europe, or any other global funding call arises, our machine learning feature delivers it to your Crowdhelix profile.
